Barbara Sagraves : A Preservation Guide: Saving the Past and the Present for the Future before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Preservation Guide: Saving the Past and

the Present for the Future:

Don't let accumulated certificates, photographs, documents, and other family heirlooms deteriorate in files or shoe boxes. This book provides simple guidelines to ensure that your fragile treasures will survive for future generations. The author offers specific instructions for maintaining and storing everything from paper and photographs to motion picture film, sound recordings, and textiles. She also provides tips on recovering from disasters such as floods and fires.
