DISAPPOINTEDBy Billie JeanIt seemed limited on the collectibles shown, and pricing was absent on a lot of items. I was very disappointed.0 of 0 people found the following review helpful. Nice bookBy Brad EaglinI havnt read the whole book yet but its very informative and very insightful and would buy again in future

In 1996, Star Trek and the crew of the Enterprise celebrate their 30th anniversary. Today, the Star Trek world is a multi-million dollar adventure with three spin-off television series and seven movies to date with thousands of loyal fans. The mountain of collectibles Star Trek has left in its wake are presented here in newly revised text, lists of items and almost 600 color photographs with captions chronicling the field, and price listings to include 500 new items not appearing in the last edition! Brief synopses of the series and films put the collectibles in perspective.

About the Author Jeffrey B. Snyder is an editor, writer, and historical archaeologist currently living in Exton, Pennsylvania.
