**Les Docks : American Premium Record Guide, 1900-1965: Identification Value Guide to 78s, 45s, LPs** before purchasing it in order to gauge whether or not it would be worth my time, and all praised American Premium Record Guide, 1900-1965: Identification Value Guide to 78s, 45s, LPs:

0 of 0 people found the following review helpful. Fair book By LJA fair guide to record collection. It did not cover prices of the records my dad had in his record collection. 0 of 0 people found the following review helpful. Okay, Just wasn't what needed and info was limited ...By Greg Okay, Just wasn't what needed and info was limited to what was searching for at this time. 0 of 0 people found the following review helpful. I like the organization that allows me to refer to the ...By Catherine J Glod I purchased this guide because I had a large volume of records that I needed to evaluate for sale...I like the organization that allows me to refer to the label pages and then type of music pages...I believe this is going to make it quicker for me to find out what does/does not have value.

This is the ultimate collector's guide to vintage records covering more than 7,500 artists from all music genres, including big band, blues, jazz, country/western and rock, 1900 to 1965. This comprehensive identification and value guide features more than 30,000 record values, including listings for 78s, 45s and LPs. This guide is very easy to use with discographies categorised by label, catalogue number and value. Features completely updated and expanded text with more than 7,500 recording artists featured.
