Very nice book, described wellBy Cheryl DayVery nice book, described well.No smells, rips or tears and just over all nice and clean.Hate that will not allow combining on shipping. I guess their cut of the money, helps keep them in business.But the Book company did a great job describing and shipping my items to me. I would purchase from them again.0 of 0 people found the following review helpful. Five StarsBy Jeanne C. BarrowGreat reference book for vintage silver patterns.0 of 0 people found the following review helpful. Awesome Reference Book for Silver Pattens!By Bentley LindseyThis is a great reference book! It has photos

of each piece, the pattern name, the maker, the year it was made and the price! It's an excellent guide /reference book!!!

Crafts an excellent overview of prominent silversmiths, manufacturers and patterns. Concise historical information pulls values into focus for collectors and keepers of family treasures. Maryanne Dolan provides more than 1,000 photos.
