This is my 3rd copy of the same book, worn out from use. All B/W photos but easy to look up specific entries and even lists items not pictured. The prices are outdated due to age but book makes it easy to determine rarity and collectability. Gives prices in poor, fair, good, and excellent condition. Even the books size makes it easy to keep handy and use a a quick reference.

Info is greater than 20 years out of date. Very little is about Jukeboxes. Most info on slot machines. Photos are extremely poor. Get better images from a home printer. Don't waste your money like I did. Sent it to the recycle. Definitely needed to take it out of circulation.
