Clock Makers:

This vintage text contains a comprehensive encyclopaedia of famous and world-renowned watch and clock makers, being a detailed list of English clock makers complete with dates, addresses, and other notable information. This is a text that will be of utility to those with an interest in famous historical clock makers, and it will be of considerable utility to antiques dealers, clock and watch collectors, and historians. Many antiquarian books such as this are increasingly hard-to-come-by and expensive, and it is with this in mind that we are republishing this work now in an affordable, modern edition complete with a specially commissioned new introduction on the history of clocks and watches.
