This book opened my eyes on many levels. If you have ever been interested in the Christian work in China, you will definitely want to read this book! And I can only say, I am so sorry that the truth hasn't spread already. I hope that this book will be able to enlighten all of us

as to the truth involving China and the Christians there. May God continue to have the glory! 0 of 1 people found the following review helpful. **DECEPTIVELY DISAPPOINTING!** By Paul Never has the title of a book been so exciting and the content so deceptively disappointing! Burklin again uses his prejudices against the house churches of China to mock and degrade them. He even slanders Brother Yun after a two hour interview the man of God graciously gave him. Burklin's conclusions are childish and slanderous. Mr. Burklin, please keep your vile attacks on the Chinese house churches and pro-China government views to yourself. You have lost all credibility.

God's mighty work in China
