**Otto Morkholm, Margaret Thompson, Otto Mrkholm, Colin M. Kraay : An Inventory of Greek Coin Hoards** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Inventory of Greek Coin Hoards:

A list of 2387 greek coin hoards. Each list contains the date that the hoard was discovered, the year that the hoard was buried, a breakdown of the contents within the hoard and the disposition of the hoard. Contents : an introduction written by the editors, an explanation of all the abbreviations that appear in the inventory, several maps, over 2387

hoards inventoried and numerous indexes.
