James MacKay : Antiques at a Glance: Silver before purchasing it in order to gauge whether or not it would be worth my time, and all praised Antiques at a Glance: Silver:

0 of 1 people found the following review helpful. Five Stars By Dusty Lewis great book

Collectors of antique silver know even the simplest item can be worth a fortune. Get to know the great silversmiths of the last four centuries, so you can tell the difference between their original work and later copies. Study the photos that show what you'll need to complete a particular collection. Become a specialist in a certain area, from tableware to thimbles. And don't miss the latest trends in silvermaking. The value of your silver will skyrocket.
