**Arkansas Quilter's Guild Inc. : Arkansas Quilts: Arkansas Warmth** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arkansas Quilts: Arkansas Warmth:

1 of 1 people found the following review helpful. Arkansas Quilts By Martha B. Stuart This book is an interesting study of quilts made or owned by Arkansas residents. The book is well arranged and the photos are clear and impressive. It is not as large as some of the quilt documentation books from other states, but no less interesting and informative. 1 of 1 people found the following review helpful. Arkansas Quilts: Arkansas Warmth By Michael Rapp My wife enjoyed this very much. It was very informative and had a lot of good information about quilting and the history of Arkansas Quilts. 1 of 1 people found the following review helpful. Very nice book on quilting in my state. By C. D. Paul I first learned how to quilt after WWII when my grandmother had my sister and me help her put some of dad's GI wool blanket together with yarn ties. This started a life long love of quilts. This book gives anyone with similar feelings the means to follow thru with some of the best examples of Arkansas Quilts. is fine place to find volumes of similar printed beauty.

The Arkansas Quilter's Guild held 12 quilt days to invite families to bring their quilts to be documented and photographed. The book is a book of photographs of lovely quilts. Information about the quilt includes the name of the quilt, the date, size, quiltmaker, owners and some information. The photographs are in color. Some photos of the quiltmakers are included which are black and white. The Arkansas Quilters Guild offers this book in the hope that the

readers will enjoy the lovely quilts created by the women of the Arkansas' past.
