Alexander Von Solodkoff : Art of Carl Faberge before purchasing it in order to gage whether or not it would be worth my time, and all praised Art of Carl Faberge:

Celebrating the brilliant craft of one of the world's greatest and best-known jewelers, The Art of Carl Faberge is a complete portrait of the elegant Faberge style. 90 full-color photographs present his peerless ornaments, from Imperial Easter eggs to bejeweled bell pushes, in all their detail and beauty.
