Tom Tierney : Balenciaga Fashion Review before purchasing it in order to gauge whether or not it would be worth my time, and all praised Balenciaga Fashion Review:

0 of 0 people found the following review helpful. Five Stars By Mirella Pisaneschi Beautiful 5 of 5 people found the following review helpful. Balenciaga By Nevada Snow Being a great admirer of Balenciaga's work, I really enjoyed seeing his creations drawn by Tom Tierney. The illustrations are lovely. Balenciaga was renowned for his sparing use of color (he used a lot of black), and Tom Tierney has changed a number of the designs from their original sombre colors into bright ones (eg the "cabbage" cape was drawn in red, but it was actually black, the 1949 pink gown was originally a subdued chestnut brown, etc). I was also disappointed by the omission of details (like pockets, buttons, etc) in some illustrations, which are clearly visible in photos of the designs in books about Balenciaga.

Memorable outfits from the designer who dazzled the fashion world with such imaginative creations as the sack dress, the balloon dress, the kimono-sleeve coat, and other innovations. 3 dolls, including a figure of the noted designer and two models, accompany 27 outfits from the 30s through the 60s.

About the AuthorOne of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
