By Peanut "Kim" As I am new to the world of Barbie dolls I bought this book to help me identify what complete outfits should look like. The colors and, especially, the doll poses are wonderful! 3 of 3 people found the following review helpful. INDISPENSIBLE NECESSARY GUIDE! By Amriel this book, written by Joe Blitman, show-cases all of Barbie's out-fits available during the "MOD" period of the late 1960s/early 1970s. It shows photo-graphs of every out-fit and includes within them all accessories so that you can use this book as a a guide to completing outfits (finding lost/missing pieces). Even if you don't collect Barbie but are a fan of the late 1960s you would LOVE to won this book, just to browse through the pages and pages of color images of the "crazy" Carnaby street inspired MOD FASHIONS! This book would

strongly appeal to fashion designers and doll collectors alike! 1 of 1 people found the following review helpful. Five Stars
