Maria Penkala : European Porcelain (Markings): A Guide for the Collector and Dealer before purchasing it in order to gage whether or not it would be worth my time, and all praised European Porcelain (Markings): A Guide for the Collector and Dealer:

Clean lightweight salmon colored hardback with gold crest on front and gold lettering on spine. Underlining,neat, on pages 50-51. Charles E. Tuttle Co., 2nd edition 1968. 256 pages by Maria Penkala. This copy corners are bumped and worn, two on the bottom have fraying, cover very slightly bowed, not noticeable unless looked for. Nice copy.
