Lillian Baker : Fifty Years Of Fashion Jewelry 1925-1975 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fifty Years Of Fashion Jewelry 1925-1975:

2 of 2 people found the following review helpful. Should Say Pictures of 50 Years of Jewelry By Lee and Steve This is a nicely presented collection but that is all it is--it is sadly lacking if you are looking for a book that gives you information. There's a decent glossary at the end but basically it's just photo groupings of someone's jewelry collection. (Good news for me is the copy I bought is basically unused but I only paid a few dollars for it as used). If you want to learn about fashion jewelry there are better books. 51 of 56 people found the following review helpful. The inside to vintage fashion jewelry collectibles By Susan E. Hill This book was very informative. It gave the information I needed about some collectible jewelry I am accumulating. It gives a more in-depth history of the manufacturing of

many collectible brands than other books I have seen. I would highly recommend this book for vintage jewelry collectors. 0 of 0 people found the following review helpful. Five Stars By Wilmanice book for the jewelry collector

Compiled by a leading jewelry authority, this beautiful book features over 400 pieces in color with a comprehensive text. An exciting publication representing over 25 different collections. 2001 values. 8.5 x 11.

For this book, the author sought assistance from actual designers and the manufacturers of top-flight fashionable costume jewelry, in order to record vital facts and interesting, pertinent historical data for the first definitive work about collectible fashion jewelry from 1925 through 1975, a fabulous 50 years. About the Author Lillian Baker was an author for more than four decades. Her first book on Hatpins and Hatpin Holders in 1976 was the first and only worldwide definitive book on the subject. She also authored 100 years of Collectible Jewelry, Plastic Jewelry of the 20th Century, Fifty Years of Collectible Fashion Jewelry, Art Nouveau Art Deco Jewelry, and Creative Collectible Miniatures. Lillian Baker is now deceased.
