Kari Stenman, Karolina Holda : Finnish Fighter Colours 1939-1945. Volume 1 (White Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Finnish Fighter Colours 1939-1945. Volume 1 (White Series):

1 of 1 people found the following review helpful. The ultimate WWII Finnish fighter color guide.By Blue and Gray 29erThe best WWII fighter book I've seen. Top notch writing and photos, with outstanding color plates!!!!You will be please with the information on each aircraft model represented, and the photos of each is just the BEST EVER!!The technical data on colors is also very good! Great book for the WWII "Finnish" enthusiast and the modeler also.0 of 0 people found the following review helpful. The colored illustrations were large and easy on the eyes while showing the subtle variances from ...By Feldmar TwomblebeeI wish I could have given this more than five stars, @%\$! it! The

colored illustrations were large and easy on the eyes while showing the subtle variances from plane to plane of the overmatched Finns. I have ordered the rest of this series based on my enthusiasm for this first of the lot. 0 of 0 people found the following review helpful. Good read
By Christopher L. Carbaugh
Interesting read, well researched.

The next book in the Rainbow Series covers Finnish Fighters used during WWII. Camouflage and markings of the fighters obtained from France, USA, Germany, UK and the USSR are described in unparalleled detail by the well-known Finnish author Kari Stenman. Many unpublished photos, and color profiles. Vol. 1 covers: Bristol Bulldog Fokker D XXI Gloster Gladiator FIAT G 50 Morane Saulnier MS 406 including Mörkö-Morane Brewster Model 239

MMP has polished its deservedly resplendent reputation with gems like these. East-Front Axis aircraft enthusiast? Grab this book – now. I eagerly – and impatiently – await its sequel (Cybermodeler)
About the Author
Kari Stenman is the foremost authority on the Finnish Air Force in World War II, having written over a dozen books on the subject since the late 1960s. He is the co-author of the successful Aircraft of the Aces volume on Finnish fighter pilots and runs his own publishing company in Finland.
