Captain J.F.C. Adams : Firearms Collector's Log Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Firearms Collector's Log Book:

The “Firearms Collector’s Log Book” is a must have if you own more than one gun. This book has been designed to be an important accessory for anyone who owns firearms. It gives you a record of the important specifics of each of your firearms that will enable quick identification in the event of a theft, fire or other situation. Your collection will be documented so you will have all the information needed for insurance or police. Anyone who owns firearms should

have this book. With enough room for 50 firearms, there is even space to include a photograph of each gun along with key information such as Manufacturer, Model Number, Serial Number, Type, Action, Caliber/Gauge, Finish, Date Acquired, etc. There is even a specific area to note insurance information PLUS a quick reference section to your firearms – basically an owner-created table of contents. With the “Firearms Collector’s Log Book”, you’ll easily put together a consolidated, comprehensive listing of firearm specifics that will enable quick identification and ease the burden of proof should it become necessary. Get this book for yourself and for any family member or friend who owns more than one firearm. It’s the smart and responsible way to keep track of a gun collection.
