Shipped within two days to Miami, Florida.Excellent info on new guns and ammo with updated database. The previous version didn't have "old" stuff but new Firearms Guide

4th Edition really exceeded my expectations. Tons of very precise schematics with high quality and high resolution photos. It's a great reference and there is a lot more info than in any other reference guide. Printing option rocks and I saved \$20 over the "Blue Book of Gun Values"!!!!Everyone serious about guns must have 4th Edition in the library.2 of 2 people found the following review helpful. must haveBy FFL UtahAfter having "The Blue Book of Gun Values" for several years I decided to give Firearms Guide a shot. Oh, boy was I surprised! Because it's a computer product, it's really fast and you can find anything instantly. I am a huge 50 cal fan, and found over 80 of them by selecting rifle and 50 cal. with huge gorgeous color pictures. There is a big selection of old and new guns, and everything can be printed out. The amount of gun schematics they cram on this disc is insane, 4,300, you'll never get that in a book!0 of 0 people found the following review helpful. Excellent Reference Book!By Jesus J LemusI purchased the 4th Edition of this book after a friend recommended it and am very glad that I did! It is loaded with useful information and tons of pics. The schematics are amazing and detailed and extremely informative. I highly recommend this Firearms Guide (4th Edition) to both people wanting to learn about firearms as well as to the experienced firearms owners; it makes an excellent reference book. I am very glad that I ordered it and would recommend it to firearms enthusiasts. It really is a must have!

Firearms Guide: 4th Edition is the world's most extensive firearms, ammo and air guns reference guide and schematics library on DVD for Mac (Mac OS X v10.6 - 10.7 - 10.8). It is a must have for anyone with an interest in firearms, air guns, ammunition, hunting and shooting, both for professionals and hobbyists. It is the ultimate tool to search, find, identify and research civilian and military guns from all historic eras. The 4th Edition of Firearms Guide presents 57,000 modern and historic guns and ammo (including 2013 models) from 630 manufacturers worldwide. Manufacturers come from 45 countries so you'll be able to learn about guns from USA, EU, Russia, Ukraine, Singapore, South Africa, Israel, UAE, Indonesia, China, Bulgaria...etc. Firearms Guide: 4th Edition presents hundreds of the most important historic civilian and military guns used in every conflict or war from the 18th-21st century. Guns from all sides of the European pre-WWI wars, American Civil War, WWI, WWII, Vietnam war and others are presented. Hotchkiss, Bren, Chauchat, Spandau, Goryunov, MG32, MG42, Lahti, Lewis, Madsen, Maxim, Mondragon, Sten, Suomi, Arisaka, Carcano, Lee-Enfield, Mauser, Mosin-Nagant, Frommer, Luger, Nambu, Pieper, Ruby, Erma, DWM, Swiss, Rheinmetall, Loewe, Glisenti, RSAF, Lefauchaux, Berdan, Dreyse, Krag, Kropatschek, Martini, Vetterli are only a few of many presented. Firearms Guide 4th Edition is also a huge Schematics Library with over 4,300 printable gun schematics with parts lists from 360 manufacturers. The presented schematics are for all types of civilian and military firearms and for airguns, for new models and for old historic guns. All schematics are zoomable and printable!The next time you need schematics and parts lists for a Luger pistol, Astra pistol, SW Model 10 revolver, Winchester Model 150 rifle or any other of the 4,300 schematics, just click on that schematic to zoom in to see the smallest gun parts, then PRINT IT with just one click. Using Firearms Guide saves a lot of time for gun enthusiasts. Instead of surfing for hours on the internet from one manufacturer's website to another, by searching the Firearms Guide's database of over 57,000 models from 630 manufacturers with 14 search criteria, the user gets a search result literally in a second. The user can check out guns, compare them and their prices, check the ammo that they use, and start another search. FIREARMS GUIDE 4th EDITION - Five products on one DVD: 1.
