Herman Jr. Herst : Fun and Profit in Stamp Collecting before purchasing it in order to gage whether or not it would be worth my time, and all praised Fun and Profit in Stamp Collecting:

0 of 0 people found the following review helpful. Legendary philatelic author's anecdotal book of lessons to collect stamps ...By TriciaLegendary philatelic author's anecdotal book of lessons to collect stamps by, his third major general audience creation. As relevant as it is today as it was in its day if you know how to read between the lines. All his content in this series of editions as well his earlier and subsequent material are unusually entertaining as well as the informed opinions of a widely regarded professional. His 1999 Obituary is still online at NY times if you search for it. It is not that hard to find author signed early editions has he was unusually prolific at signing many copies of his books during his frequent and varied travels. He captioned the generic dedications in bulk for his dealer friends as "Philatelicaly yours, ..." personal multi sentence dedications to people themselves, in particularly noteworthy people of the era, are quite desirable there are many spectacular sleepers are out there.
