Gabriele Griendl : Gems of Costume Jewelry before purchasing it in order to gage whether or not it would be worth my time, and all praised Gems of Costume Jewelry:

Vintage Costume Jewelry at its Best!By JFrostThis book is full of lush, gorgeous photos of rhinestone jewelry from the Golden Age of Costume Jewelry, the 1910-1970 period. The text is an interesting review of the history, but the beauty of this book is in the photography. If you love the showy, intricately designed jewelry of this period, you will love this book.

Large book with Brodart jacket cover. 260 pages of rhinestone costume jewelry with many color photos. Includes the history of rhinestones and the increasingly popular jewelry format.
