**Christopher Ailsby : German World War 2 Medals and Political Awards, the Satellite States** before purchasing it in order to gage whether or not it would be worth my time, and all praised German World War 2 Medals and Political Awards, the Satellite States:

0 of 0 people found the following review helpful. This product exceeded my expectations as did the price.By Henry SlapinskiVery pleased with the condition of this item, not to mention the unbelievable low price. Just what I was looking for. Well done and thank you.0 of 0 people found the following review helpful. Detail is missingBy whooshVery in formative well laid out butshould have been in color forextra detail and better identificationof different items0 of 0 people found the following review helpful. Five StarsBy WilliamIt was ok but you have to watch what you buy

A leading expert on German medals and political awards provides a definitive guide to those issued in occupied and annexed states. With an informative collection of photos illustrating the medal subjects it provides an essential reference to those interested in collecting Second World War medals.
