**Walter T Lemiski : Glass Barware: Deco Beyond (Schiffer Book for Collectors (Paperback))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Glass Barware: Deco Beyond (Schiffer Book for Collectors (Paperback)):

1 of 1 people found the following review helpful. Excellent reference!By lumen8Excellent reference for the barware collector! As with most collector's books, values are generally inflated, but if the buyer keeps this in mind, the book is a fair guide to the value of many items. Photographs are excellent.0 of 2 people found the following review helpful. Schiffer...By Annie in HoustonSchiffer books should be also be labeled as coffee table books--the photos are gorgeous! And "hi" to my pal Walt!

Elegance in crystal and color with an Art Deco flair is displayed in 600 photos of early 20th century barware. Cocktail shakers, decanters, pitchers, beverage dispensers, punch bowls, ice buckets, stemware, tumblers, beer mugs, coasters, swizzle sticks, bitters bottles, medicinals, juice reamers, and more appear. These are the products of well known glass companies, including Cambridge, Duncan Miller, Fenton, Fostoria, Hazel-Atlas, Heisey, Imperial, Indiana, Morgantown, New Martinsville, Paden City, and Tiffin. Essential descriptions of the wares are given, along with historical information, colorful background on the Roaring Twenties and the Prohibition era, appendices, a bibliography, an index, and values in the captions. This book is lovely to look at, interesting to read, and worthy of inclusion in all libraries devoted to collectible vintage glassware.

About the Author Walter T. Leminski is the director of the Canadian Depression Glass Association. He has been collecting barware for many years.
