This bold, colorful book collects fifty years' worth of advice from Ken®, the undisputed expert when it comes to dating. In his own humorously honest voice, Ken tells readers how to be the perfect red-carpet escort, give the most fabulous gifts, and squeeze in some "me time" at the gym between galas. With an introduction from Barbie herself, and featuring more than 200 images, the book celebrates iconic Ken moments in short, lively blocks of narrative. As Mattel prepares to celebrate with a full-slate of anniversary activity, there has never been a better time for I ? Ken, a tongue-in-cheek celebration of Barbie's favorite accessory.
