Helaine Fendelman, Susan Kleckner : Instant Expert: Collecting American Folk Art before purchasing it in order to gauge whether or not it would be worth my time, and all praised Instant Expert: Collecting American Folk Art:

4 of 4 people found the following review helpful. A good resource for basic information on Folk Art By David Kasman This book tries to cover a lot of ground on a very broad and subtle topic. Unfortunately, no one can really become an expert on American Folk Art by simply reading this or any other book. The book does provide a good overview of the various collecting areas of American Folk Art and might be a good place to start for someone new to the field.

Learn to think, talk, buy, and sell like an expert! • A treasure trove of vital facts about painting, sculpture, commercial art, stoneware, metalware, textiles, and much more. • Answers the most important questions: what to collect, why to collect, and how and where to start. • A complete resource guide with terms, museums, publications, shows, and conservation resources.

From the Inside Flap Learn to think, talk, buy, and sell like an expert! • A treasure trove of vital facts about painting, sculpture, commercial art, stoneware, metalware, textiles, and much more. • Answers the most important questions: what to collect, why to collect, and how and where to start. • A complete resource guide with terms, museums, publications, shows, and conservation resources.
