Carl Caiati : Instant Expert: Collecting Fly Fishing (Instant Expert (National Book Network)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Instant Expert: Collecting Fly Fishing (Instant Expert (National Book Network)):

A one-of-a-kind resource covering the history and how-to's of collecting fly fishing gear from its English origins to present day techniques and equipment. Includes in-depth information about, and prices for, rods, reels, hooks, flies, and accessories from lines and bobbins to vests and creels. Easy to use for both the experienced and the novice collector; comprehensive and portable by pocket or purse.
