Anna Jackson : Japanese Textiles before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Textiles:

1 of 1 people found the following review helpful. Really beautiful book on japanese textiles and patternsBy Olivia NeeceReally beautiful book on japanese textiles and patterns. It is most useful when one is purchasing or working with Japanese design.0 of 0 people found the following review helpful. Great resourceBy I. LabrantBeautiful

Now in paperback, this lavishly illustrated volume presents highlights from the VA's extensive collection of Japanese textiles and dress, one of the finest in the West. Ranging from sumptuous embroidered kimonos and woven actors' robes to the indigo-dyed textiles of rural Japan, Anna Jackson's authoritative text elucidates the various techniques that have been employed by Japanese textile artists in the production of woven, printed, and embroidered textiles from the 17th century to the present day. Featuring spectacular, specially commissioned photographs with close-up details, Japanese Textiles is an invaluable visual resource.

'Will inspire weavers and designers to keep textile arts alive for future generations' World of Interiors 'An inspiration

to anyone with an interest in textiles' International Textiles About the Author Anna Jackson is Deputy Keeper of the VA's Asian Department and co-curator of the forthcoming exhibition Maharajas. She co-curated Encounters and co-edited the accompanying book. She is also the author of Expo: International Expositions 1851–2010 and a contributor to Art Deco.
