Judaea and Rome in Coins 65 BCE-135 CE: Proceedings of the Conference 13-14 September 2010 The Papers in this casebound volume are based on presentations at an international two-day conference held at Spink Son in London on 13-14 September, 2010. The period covered spans the Roman conquest of Judaea by Pompey through to the last major Jewish uprising against Rome under Simon Bar-Kokhba, encompassing the age of the Herods and the birth of Christianity. The contributors to this volume have pooled their specialist knowledge to illuminate important issues in the history of Judaea and its relationship to Rome.
