Gerhard Dietrich, Eckard Wagner : Kayserzinn: Engelbert Kayser, Jugendstil Pewter from Cologne (English and German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kayserzinn: Engelbert Kayser, Jugendstil Pewter from Cologne (English and German Edition):

The first comprehensive reference work on Kayserzinn from the Jugendstil era, with an index of all 1000 models and illustrations, descriptions and data about the era in which they were created and their designers.
