**Steven Rouland : Knoll Furniture: 1938-1960 (Schiffer Design Books)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Knoll Furniture: 1938-1960 (Schiffer Design Books):

0 of 0 people found the following review helpful. Repro of old photosBy Deadone38The photos look like reproductions from old catalogs or advertisements. As such, many of the are not of the best quality. While looking at old ads etc is interesting in itself, there are no "new" photos.0 of 0 people found the following review helpful. Love it!By Miss Ophelia RoseThis is a wonderful resource, and a beautiful book. It is a lot of fun to find your furniture in the book and dream of what else you want to get.0 of 0 people found the following review helpful. Four StarsBy James L. HigbeeGreat photography...Very good value..

In the 1940s and 1950s, Knoll Furniture became symbolic of the modern design movement. This book catalogs furniture produced by the Knoll Furniture Company of New York during its first two exciting decades. Over 270 illustrations present forms by such influential designers as Eero Saarinen, Harry Bertoia, Isamu Noguchi, George Nakashima, Jens Risom, Ralph Rapson, and others. An easy-to-use identification guide includes production dates and

designer attribution. Original catalog photographs and many from the Knoll Museum Archive, a company history, designer biographies, and a revised price guide are included. This book is an essential reference for all who are interested in modern furniture design.
