Ralph Kovel, Terry Kovel : Kovels' Depression Glass Dinnerware Price List, 7th Edition (Kovel's Depression Glass and Dinnerware Price List) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kovels' Depression Glass Dinnerware Price List, 7th Edition (Kovel's Depression Glass and Dinnerware Price List):

0 of 0 people found the following review helpful. Great reference
By Janelle Palmer A great reference book with a lot of information that is updated for best market rates each year. Anyone who is purchasing or selling depression glass...this is a great resource!
18 of 19 people found the following review helpful. Incomplete, not recommended especially the beginner
By Kathy Ann Fahey This was the first reference book I purchased when I began collecting depression glass. Although there are color photos, few patterns are represented. The patterns of manufacturers are line listed at the end of the depression glass section but quite a few of the patterns are not represented in the detail (the most important) section of the book. Representation of the patterns detailed are in a very poor quality black and white, making it difficult to match a piece of glassware with the pattern. Although Kovel seems to be a well respected authority in a number of collectible arenas, I saw no sign of expertise in this book. I would not recommend this book to anyone especially beginners.
20 of 20 people found the following review helpful. Kovels Depression Glass Dinnerware Price List - 6th Edition
By A Customer Super pictures to help identify types of glass, with good history of each. Exciting to see the actual worth of items. Perfect size book (not bulky) to take with you when exploring the antique stores. I highly recommend this book.

Kovels' Depression Glass and Dinnerware, Seventh Edition, is a must for beginners as well as more experienced collectors. You'll find factory histories, information on makers and marks, and thousands of current prices for:
* More than 200 Depression glass patterns, with photos and line drawings
* Ceramic dinnerware patterns from the 1920s to the 1980s -- the patterns seen most often at shops and flea markets
* Collectible plastic dinnerware -- included here for the first time
Plus special features for collectors:
* Sixteen-page full-color report featuring great photos of collectible dishes that can brighten your table
* Lists of clubs and publications for collectors
The Kovels' name stands for the most accurate reporting of current prices in today's market. Take advantage of the Kovels' expertise -- and make it your own.

From the Back Cover
"What the Kovels don't know about antiques isn't worth knowing." -- House Beautiful
"The Kovels are arguably the authorities on antiques and collectibles in this country." -- Los Angeles Times
"As millions already know, any book carrying the Kovel byline will be as reliable, informative, and fact-filled as any collector could wish." -- American Country Collectibles
About the Author
Ralph and Terry Kovel are the authors of more than eighty books and currently write a nationally syndicated newspaper column, a subscription-only newsletter, and a column in Forbes magazine. They appear on their own weekly television show on HGTV (Home Garden Television), Flea Market Finds with the Kovels.
