Dominique Breffort, Jean-Louis Viau : L'Art De La Figurine; Art Figurines (English and French Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised L'Art De La Figurine; Art Figurines (English and French Edition):

Magnificent examples of the military painter and sculptor's art, captured in 168 large-scale color photos; serves as a guide to historical costume and uniform, with French captions and an English introduction to each chapter.
