Do be warned that although the description mentions cowboys and other costume styles that the great majority of clothes are black leather fetish, so it can get a little repetitive. There are lots of shirtless outfits, natch. On these the rippling torsos are usually bordered by some kind of neckwear so they could, should, work with your other paper dolls believably. Especially your Victorian ballgowns paper dolls. Those ladies could use some spicing up. The paper these guys are printed on is a little light so if you're going to actually cut them out, they might tear easily. Here's what you get:One of the "paper dudes" is standing with his back to you so he might not play as well with other paper doll clothes you have. He comes with black leather pants, a billy club, cop hat; camo pants with a green, old-style soldier shirt, a beer; lace-up black leather pants with a halter collar; jeans with a red bandana in the left pocket, a black leather jacket slung over his

shoulder, a black leather ball cap; blue pants with a double red racing stripe down the side, a black leather jacket with red shoulder panels, another black leather cap; another jeans/black leather outfit with a green t-shirt; and a head-to-toe black leather suit tie with another billy club a cigar. The intense-looking, darker-skinned dude wears lavender satin shorts work boots to start with. He comes with black leather pants jacket with neckerchief, cop hat, shades; denim pants sleeveless jacket with black leather halter cap; denim shirt pants under black leather halter, chaps, vest; black leather pants, straitjacket, mask; classic jeans white t-shirt with black leather jacket cigar; jeans red clogs with a tank top reading "DISCIPLINE IS NOT PUNISHMENT"; a bomber jacket over a green henley; and denim cutoffs with a tank top reading STUD. The bearded dude comes in white briefs, trainers, and a big arm tattoo. He gets to wear a full denim, sleeveless outfit with cowboy hat, red boots, a whip; another full black leather outfit with cop hat, shades, cigar; a black leather tank top pants and boots with neon yellow detailing; jeans with a halter cuffs; black leather cop pants with handcuffs, a paddle, a sash; another pair of black leather pants with halter cap; another black leather jacket, shirt, tie; and another black leather vest with halter. The smoking-hot buzzcut dude starts out with black leather workboots and his hand in his red briefs. He gets to dress up in a shirtless fireman costume; studded black leather pants with a short halter cop hat; black leather jacket with regular halter jeans; black leather cop outfit over blue shirt tie with bondage ropes at his hip; white jeans with brown leather boots a tool belt; a wet t-shirt (!) with jeans, red clogs, a black leather cap; a classic black leather jacket over white t-shirt; and a red plaid shirt with backpack. This is definitely one for the paper doll collector or the leather enthusiast who's willing to be a little tongue-in-cheek about his fetish. Or for kids. Definitely get this for your kids. 0 of 0 people found the following review helpful.
