The price was great, and they love looking through the book at all of the different sets that have come out over the years. The book includes the most recent sets as well, so the kids can find pictures of their sets in the book. The pictures and details are wonderful and very thorough - just what you'd expect from a Lego product. The Harry Potter minifigure is a great bonus. We are very

happy with this purchase.0 of 0 people found the following review helpful. Love the bookBy RStachoLove the book, so informative. Sometimes I buy mixed lots online and its very helpful to identifying certain parts and sets in which the parts come from as well as the minifigures. Being a Harry Potter Fan I love it.

The magic of Harry Potter™ and the fun of the LEGO® world, now in one incredible book! Since it was first introduced in 2001, LEGO® Harry Potter™ has been one of the LEGO Group's most popular themes. This incredible guide gives readers an up-close look at the bricks, constructions, and minifigures of the LEGO® Harry Potter™ universe - from Hogwarts Castle to Hagrid's hut. This all inclusive book wouldn't be complete without an exclusive LEGO® Harry Potter™ minifigure! Who will it be? You won't want to miss out on the exclusive interviews with the LEGO® Harry Potter™ team, and special sections allowing you to see, first-hand, how the bricks and figures come to be the toys we love today! The book will also feature a timeline that shows the evolution of the LEGO® Harry Potter™ construction sets, video game and board game.
