By Jill My children love the people you can build with Legos and are having a great time flipping through here and looking at the different Harry Potter characters. I was worried it might lead to a lot of requests to buy more, but so far they just flip through and read about them and find the few that we have. 0 of 0 people found the following review helpful. Harry Potter LEGOs!!! By Kindle Customer My granddaughter is a big fan of Harry Potter (she became Hermione for Halloween!) and has been collecting the Harry Potter LEGO kits. She and her dad immediately started looking through this book to see the different options. 2 of 2 people found the following review helpful. Great book By Tamara Wilden The book is colorful and has wonderful photos plus a Harry Potter Lego! I was disappointed that the book had a broken spot on the spine, though
