**Charlie MacK : Lesney's Matchbox Toys: Regular Wheel Years, 1947-1969 With Price Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lesney's Matchbox Toys: Regular Wheel Years, 1947-1969 With Price Guide:

4 of 4 people found the following review helpful. It's a great collector's reference. By Sergio Sevilla It has very accurate information on variations, details and more. Pictures of the story of Matchbox at the beginning are great but pictures of the cars are small and only show one side since they were taken as groups on rows and not individually. No pictures of boxes. The additional information about playsets, packaged toys and more are great. It has a convenient handy format for collectors with checklists, values, dates of issues, etc. Very interesting story told by the author. 0 of 0 people found the following review helpful. Five Stars By OldSchoolCollector As described. Thank You 0 of 0 people found the following review helpful. My first purchase from .com 15 years ago. By Levo This book is my first purchase when I got online in 1999. I am still using this very useful book as a reference for my newly bought Matchboxes. There are also other very valuable books of Mr. Mack but one should have this book if he is into MBoxes. Thanks Mr. Mack.

A long-awaited and informative book for Matchbox collectors by one of America's foremost authorities. The public's consistent enthusiasm and the long-term interest of children as they grow into adulthood have provided the necessary ingredients for Matchbox toys to become ideal collectibles. The old toys become scarce and variations of newer toys

have given collectors a challenge to own each one. They collect not only the toys, but catalogs, collector buttons, and boxes. All of these and more are included in this completely new book. The toys pictured and listed in this volume represent the major variations of the most popular series made by Lesney Products from 1947 to mid-1969. Included is a current price guide and a list of organized clubs for collectors. , 175+ photos, 9" x 6", Price Guide
