Debbie Coe : Liberty Blue Dinnerware (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Liberty Blue Dinnerware (Schiffer Book for Collectors):

0 of 0 people found the following review helpful. Useful tool for pattern fans By Gracehoney I bought some of this dinnerware in 1976 when it was in the stores, and recently began purchasing more pieces on eBay. This book gives the history of the art and shows all of the pieces, so that I know what I still need to hunt down. The photography is lovely, and the descriptions are clear and tell me what I want to know. I would recommend this book to anyone interested in

this pattern.0 of 0 people found the following review helpful. Book of Blues.By Sonja HeinieThis is a must have book if you are a happy collector of Liberty Blue dishes. It gives you the history,prices,dimensions etc everything you need to know about this wonderful set of dishes.4 of 4 people found the following review helpful. Perfect, Perfect and PerfectBy Don AnastasLiberty Blue Dinnerware is compact, concise and provides everything a collector or dealer needs. Debbie and Randy Coe have done an excellent job of providing the history of Liberty Blue Dinnerware with pictures of original ads adding value to the readers experience.The pictures are excellent and the organization of the book makes it easy for identification purposes including descriptions, measurements and current values. Although the book is a "soft cover" the glossy pages are first rate and enhance the quality of the pictures.Buy it, use it, enjoy it. Value pricing makes it that much better!

Blue and white ironstone dinnerware has been collected for many years, and the introduction of the Liberty Blue pattern in 1975 by Enoch Wedgwood of England, with its fifteen different historic scenes of colonial America, brought forth keen interest. Here the Old North Church, Minutemen, West Point, Independence Hall, Mount Vernon, and many more historic sites are shown. The Liberty Blue promotion coincided with America's Bicentennial celebrations, causing more people to become interested in owning a set for themselves. Color photographs beautifully illustrate all the pieces in a complete set, and interesting facts are given about each historic scene. Updated prices are included in the captions and the associated glassware and ceramic pieces are carefully described. Original advertisements and brochures are included to provide extensive accurate information. This is the first book about Liberty Blue dinnerware and is sure to become a valuable reference guide for collectors trying to build a complete set.

About the AuthorDebbie and Randy Coe are important dealers in American glassware and ceramics whose previous book, *Elegant Glass, Early, Depression, and Beyond*, has been highly regarded among experienced glass enthusiasts. They live in Oregon.
